Castle growth continues out West

Mississauga, ON - Castle Building Centres Group Ltd.

Castle continues to grow in Western Canada with the announcement of Bamfield Builders Supply Ltd, as their newest member in British Columbia. Located on the west coast of Vancouver Island, owners Bob Baden and Kelly Bartlett have been serving the local area for over 20 years.

Bamfield Builders Supply was founded in 1997 and the business is built on servicing the unique needs of the Bamfield community and neighboring First Nations village of Anacla. The new Castle location offers an extensive selection of building material products and hardware, while also catering to the local community and climate by providing a selection of sporting goods and outdoor gear.

As independent business owners, Bob and Kelly looked at other industry banners but felt joining Castle was the best choice for their business and brand.

“Bamfield Builders is excited to be a part of the Castle group. This offers us the ability to expand our product lines and support our growth at a much more rapid pace.”

- Bob Baden, Co-Owner and General Manager

The store will undergo a rebranding to Castle Building Centres and they are planning a Grand Re-Opening to the community in late Spring.

"Independents understand that building trust, exceeding expectations, and elevating experience is what drives success in this industry and Bamfield Builder's Supply is a great example."

- Ken Jenkins, President

Castle welcomes Bamfield Builder's Supply to the group.
