FOR IMMEDIATE RELEASE

## Castle Announces New Quebec Location

Mississauga, ON - Castle Building Centres Group Ltd.

Castle announced today that a new member has joined the group in the province of Quebec. Murexpair Inc. is located in the city of Sherbrooke, Quebec and has been serving the local community for 17 years.

Owner, Jonathan Sirois, had a clear plan for Murexpair; to offer exceptional products, sales and service in the categories of roofing and siding to contractors and local consumers. When he and his current partner Bruno Langlois began to consider a buying group, they were looking for opportunity to grow their business by having access to additional products in their categories, but didn't want to lose their independence or compromise the core of their business.

*"Castle was the right fit for us because we wanted to experience growth and reach our business goals, without losing sight of our original mission or the ability to run our business our way."*

**- Bruno Langlois, Murexpair Inc., Partner and General Manager**

As part of the Castle group, the specialty store will offer a wider range of steel roofing, siding, decking products and commercial designer steel siding to their valued customer base, consisting of local residentials and commercial contractors and consumers.

*“Castle is the Future of the Independent because we don’t expect our members to fit into a specific business model that doesn’t match their needs. Our members continue to operate in the manner that suits their business, and we encourage their independence, and enable them with buying power, and the support of a group gives them the tools they need for continued success.”*

**- Ken Jenkins, Castle President**

Castle would like to welcome Murexpair Inc. to the family.
