

A background image showing several vintage-style microphones on a desk, rendered in a light, semi-transparent style. The microphones are in various colors including gold, red, and silver.

# PRESS RELEASE

**FOR IMMEDIATE RELEASE**

## Castle continues to grow in Western Canada

Mississauga, ON - Castle Building Centres Group Ltd.

Castle announced today that a new member has joined the group in the province of Saskatchewan. LKQ Building Supply is located in the heart of Saskatoon and owner Ken Spetz has been in the construction industry for over 30 years, specializing in finishing and restoration products and services.

*"When we decided to expand into retail, we saw the best opportunity for success with Castle. We feel good about joining a group with a multitude of options to grow your business based on your unique needs and market."*

**- Ken Spetz, Owner**

The new retail location will operate as a specialty supply store to the greater Saskatoon area, providing building materials for restoration and finishing as well as unique product solutions to local contractors. The LKQ staff are excited about the new location and planning an official Grand Opening as Castle Building Centres, this coming Spring.

*"Castle provides a one-stop retail solution. Our members can be confident that they have all the tools necessary for growth and prosperity, and the support of an entire team with their future success at the top of the agenda."*

**- Ken Jenkins, Castle President**

Castle would like to welcome LKQ Building Supply.

## About Castle Building Centres Group

Castle Building Centres Group Ltd. is a Canadian member-owned, Lumber, Building Materials and Hardware buying group committed to the success of the independent.

Our commitment is to drive this success to over 300 Castle member locations and is achieved through unwavering Transparency, Freedom and Profitability.

Our business model focuses on accountability to our membership, member freedom of choice, and a commitment to their success, growth and profitability through strategic partnerships with key vendor partners and a winning hardware distribution solution.
