Castle Adds Two Locations in Ontario

Mississauga, ON - Castle Building Centres Group Ltd.

Castle announced today that Van Dolder's Home Team has joined the Castle group with two locations in Ontario. Situated along the shores of Georgian Bay, the locations will service the building materials needs of their customers in the Owen Sound and Collingwood markets and surrounding areas.

The two new Castle locations are focused on offering an extensive selection of key building material products while also offering professional installation services. Additionally, each site boasts a massive designer showroom with built-in model home segments giving their customers the opportunity to picture products inside a home setting.

The family business was founded in 1964 by father Andy Van Dolder; sons Kris and Tim continue to cultivate the business under the same principles it was built on; customer service, quality products and professional installation services. This foundation is at the core of everything they do and is a large part of their success, and why they chose to join Castle.

"Being an independent business owner is important to us and we don't want to jeopardize that aspect of our business. Castle's business model allows us to maintain that independence and take advantage of their extensive buying power. We believe that Castle is the right place for us to be able to take our business to the next level."

- Kris Van Dolder, Partner

Castle President, Ken Jenkins, couldn't agree more. *"Castle is 100% committed to our members' brand. The Van Dolder's are an example of how reputation and exceptional service are ultimately what determines success in our industry. Becoming a Castle member means they can continue to focus on growing their brand".*

Castle is pleased to welcome Van Dolder's Home Team - Custom Exteriors to the family.
