Castle Grows in Eastern Ontario

Mississauga, ON - Castle Building Centres Group Ltd.

Castle continues to expand its presence in Ontario with the announcement of their latest member location, North Dundas Building Supplies. The new Castle store is located midway between Ottawa and Morrisburg, and will service the lumber and building material needs of the surrounding communities, including Chesterville and Winchester.

As a new Castle Building Centres location, North Dundas Building Supplies will offer a full line of lumber and building material products. New owners David Nyentap and Stacy Duguay from Russell, Ontario, recently purchased this former lumberyard location and are looking forward to returning it to its original retail roots and adding a new storefront design.

David and Stacy agreed that to focus on their retail business, joining Castle was the best fit for their brand. *“North Dundas Building Supplies is excited to be a partner with Castle. Having operated an independent lumberyard, we wanted to be able to widen our market, and being a part of the Castle group allows us to buy more competitively.”*

- Stacy Duguay Co-Owner

Stacey will oversee management of the retail location and the store is planning on an official Castle Grand Opening in early Summer.

“As a new Castle member, North Dundas Building Supplies, can now concentrate on growing their brand and their reach, while having the support of a Buying Group that is solely focused on their success.”

- Ken Jenkins, President

Castle is pleased to welcome North Dundas Building Supplies to the family.
